Boğaziçi University, B.Sc. in ChE, 1988

Subject of Seminar

Insurance & Chemical Engineering: How do they fit?

10 December 2019 12:00-14:00 KB 401

Mert Yücesan:

Mert is a graduate of Galatasaray High School and BU Che Engineering. Following his graduation from BU, he has attended Chartered Insurance Institute and has obtained the nomination of Associate of Chartered Insurance Institute.

Mert has began his work life in 1989 in then privately owned insurance broking firm San Sigorta. Following acquisition of this firm, in 1998, by a global company Marsh he has continued as the CEO of the company until the end of 2014.

During his tenure he has grown the company 12 times in USD terms and established Insurance broking from a small sector to a widely used service by many Turkish corporations.

Mert, together with 4 other partners, has started a new venture in 2015 which is Named Integra Insurance broking and is currently the CEO of Integra. In a period of short time Integra has become a leading broker in Turkey among the top three companies and continues to be the fastest growing company in its field
